### Step 3: Complete and Attach Required Items to the *Attachments Form*

The "Attachments Form" is not a form in the conventional sense. Rather, it is a place to attach documents that you have completed and saved elsewhere on your computer.

- All attachments are documents (e.g., narratives, lists) that you will develop in accordance with the instructions provided. **These items must be submitted as PDF files.**
  - Do not create PDFs of your electronic documents by scanning. Do not embed non-printable media files (video and/or sound) in your PDF documents. Static images (e.g., pictures) are acceptable. Do not enable any document security settings or password-protect any PDF file you submit to us.
  - No attachment should be more than 2 MB.
- Label pages clearly with the name of the item (e.g., Staffing List) and your organization's legal name. Leave a margin of at least one inch at the top, bottom, and sides of all pages. **Do not reduce type below 12-point font size.** Do not type in all capital letters. Number pages sequentially; place numbers on the bottom right hand corner of each page. Excess pages will be removed and will not be reviewed.
- **Name your files as indicated below and attach them in the proper order.** Limit file names to 50 characters and use only the following characters when naming your attachments: A-Z, a-z, 0-9, underscore (\_), hyphen (-), space, and period. You cannot change the name of a file on the Attachments Form. Therefore, make certain that each file is named correctly **before** you attach it. **Your agency name (or acronym) must be included in each file name** (e.g. "ABCArtsCouncilStaff").

When you open the Grants.gov Attachments Form, you will find 15 attachment buttons. By clicking on a button, you will be able to choose the PDF file from your computer that you wish to attach. Attach the proper file to the proper button as listed below.

**The required documents in Step 3 differ for ON-YEAR and OFF-YEAR applicants. Please refer to the chart at the beginning of these instructions, and/or follow the prompts below related to each document.**

Provide specific, explicitly stated facts and figures about the methods employed to reach and involve participants. Include the number, dates, times, and locations of constituent meetings, numbers of participants, and which sectors they represent. Any discussion of reaching and serving underserved groups/communities should identify those constituencies your organization considers underserved and describe your efforts to engage those communities. If your organization has determined that there is an underserved group or community, please indicate whether there is any empirical research, studies, or data supporting that determination.

Information required by Section 5(g) of the National Endowment for the Arts' legislation is indicated with an asterisk (\*) in the list below.

1. Describe your organization's **most recent planning process**, including:
  - The design and structure of the process;
  - Efforts undertaken to include a wide range of constituents in the planning process, including but not limited to those in underserved communities, artists, arts organizations, educators, state agencies, community groups, disability groups, artists and cultural workers with disabilities, businesses, municipal and tribal governments, and/or the regional arts organization serving your state;
  - How members/representatives of underserved communities were invited into and involved in the planning process;

2. Discuss the **recommendations and priorities** for your state plan that resulted **from the public meetings\*** and other forums.

5. Provide a link to your **Strategic Plan**.

- If your discussion of accomplishments relates to an earlier plan, provide here a link to the **earlier** plan as well.

1. Without reiterating your plan, which reviewers will see in full, briefly describe your organization's **priorities** for the upcoming three-year period (i.e., until the next time your organization is designated as on-year and up for full application review) and the leadership your organization is undertaking to achieve those outcomes.
2. Describe your organization's **most significant programs, activities, and accomplishments** in relation to your state's current or most recent strategic plan.

The programmatic themes listed below are prompts for consideration as you describe your organization's most significant accomplishment. The list below is not all-inclusive, it includes some of the areas in which state arts agencies work. Your narrative might feature content including, **but not limited to**, any of the following themes:

Any discussion of reaching and serving **underserved communities** should identify those constituencies your organization considers underserved and describe your organization's efforts to engage members of those underserved communities. If your organization has determined that there is an underserved community, please indicate whether there is any empirical research, studies, or data supporting that determination.

## Step 4: Submit items electronically through Grants.gov

Be certain that you are satisfied with your application before you click submit. **No revisions are possible through Grants.gov once submitted. After submission, the only way to update items in your application is to create a new application. The NEA will only review your most recently submitted application.**

We strongly suggest that you submit your application *well before the deadline* to provide ample time to resolve any problems you might encounter.

1. Check the size of your electronic application. The total size should not exceed 10 MB.
2. Navigate to the **Forms** tab on the **Manage Workspace** page:
  - Once the forms are filled out and the **Form Status** column says "Passed," they will be ready for submission.
    - **Important note:** The status "Forms Passed" does NOT indicate that your application has been submitted, only that your forms have been filled out. You still need to click the Sign and Submit button after receiving the "Forms Passed" status. For more information, review the [Forms Tab](#) help article.
  - Click **Complete and Notify AOR**, which will notify the user(s) with the AOR role that the workspace is ready to submit.
  - The AOR must click **Sign and Submit** to submit the application. Detailed instructions can be found [here](#).

After the AOR submits the application, they will see a confirmation screen explaining that the submission is being processed. **Take a screenshot and retain the Grants.gov Tracking Number that you receive in the application submission confirmation screen.**

3. **Verify that the application was *validated* by the Grants.gov system.** Take a screenshot of the validation confirmation for your records.

You can track the progress of your application submission through Grants.gov in one of three ways:

- Check the [progress bar](#) in Workspace. When your application has been successfully received, the bar will be green, and a check mark will appear in each bubble.
- When logged in to Grants.gov, click the Check Application Status link under the Applicants drop-down menu and search for the submitted application.
- When not logged in to Grants.gov, go to [Track My Application](#) and enter your Grants.gov Tracking Number. Then click the Track button to see the status listings of the valid tracking number entered. This function will only work if you have a tracking number.

For more information about checking Grants.gov application status and a complete list of statuses, see [here](#).
