

THE NEA'S INVESTMENTS IN THE ARTS AND HEALTH

Research, Practice, and Capacity-Building

www.arts.gov/impact/arts-and-health

Research

Capacity-Building

Practice

Research Grants in the Arts

Multiple awards supporting studies of health and well-being

NEA Research Labs

Focus areas include health, cognition, and social/emotional well-being

Music and Health Grants Cosponsored with the National Institutes of Health

Sound Health Network

A partnership with the University of California San Francisco to promote knowledge and awareness of music's impact on health and wellness

Our Town Grants

Multiple awards supporting the integration of arts and design with public health strategies

Arts Education Grants

Multiple awards supporting social and emotional learning and trauma-informed teaching; also, see resources available through the [Arts Education Partnership](#)

Interagency Task Force on the Arts and Human Development

A group of federal agency representatives who aim to catalyze research and knowledge-sharing about the arts' relationship to positive outcomes across the lifespan

Engaging the Arts to Build Vaccine Confidence

An initiative cosponsored with the Centers for Disease Control and Prevention and CDC Foundation

Creative Forces: NEA Military Arts Healing Network

A partnership with the U.S. Departments of Defense and Veterans Affairs that seeks to improve the health, well-being, and quality of life for military and veteran populations exposed to trauma—as well as their families and caregivers—through creative arts therapies and access to community arts activities
